-Vice Chair said we will tablet that for New Business.

We need nominations for all the administration positions beside Chair and RCM and Vice Treasurer. If you have the willingness to be of service please fill out a nomination form and submit it.

-Secretary reminded group of the new digital GSR reports that were sent out with the minutes. And asked for questions. None were submitted.

**Motion:**

**To donate 1/2 of our ORSCNA regional donations for December, 2017 and March, 2018 to OCNA-36.**

**Intent: Donations to the Ohio convention provide needed funds to meet pre-convention expenditures**

such as plane fares for speakers, purchasing of pre-convention merchandise, registration packages, and numerous items needed to be made such as signage, forms, etc. As the hosting area, we would customarily provide a donation that would be in line with those provided from other areas within the state. At this time, one area in the Buckeye Region alone has already donated over \$1800. However, this should be seen as an extreme case. Many areas will only be able to provide a fraction of that amount. Most convention income is made during the convention and is substantial. At the end of each convention, \$3000 seed money is forwarded to the next convention with the remaining proceeds, which are still substantial being split between each region. The donation amounts we are seeking here will still end up going to our region and not are being taken away from the region. The amount of the donations would be calculated based on the amount of funds the area has above the \$800 prudent reserve for the next 2 quarters. Funds above the \$800 would be divided in half, the convention donation made, and then the remaining funds donated directly to region, fulfilling the policy requirement. The combined total of the donations is estimated to be \$300 - \$600 dollars. For anyone concerned that these donations would take away from providing needed funds directly to the region for the next 2 quarters it can be noted that FRASCNA routinely donates more to region as any other area in the state. Our region is doing very well financially and the delay in these funds reaching the region will not hinder regional functions in any way. But it will help ensure we are providing Ohio addicts with a convention experience that could be extremely important to their recovery. It certainly impacted mine.
