### **Policy:**

The committee has started going through the 2016 policy as no official amendments or appendices were ever officially voted in. We have printed off other Area Policies to give us guidance as we continue to review our Area's policy. If any committees would like to join via zoom or phone call to review their policies and make corrections please join. It was very successful when other committees joined for guidance of what has been working for their group! We have reached out to the previous Phone Line chair to review policy. We sent emails

to current LSC chair about policy to review, as well as webmaster, and flyers past chair. We have started making corrections that we will bring once we are done reviewing the policy. If you know anyone interested in being on the committee please let me know! We are considering taking our meeting back to zoom as we have low attendance. If anyone is interested in joining please reach out to Raychel or myself!
