RCM- Martha No report this month

Literature: The Literature balance is \$333.00; after fulfilling the orders today the balance will be \$513.56.

Thanks,

Dave S

Activities: Dan G: The group is going well, we are still growing our membership. For April we have planned a Laser Tag outing at Laser Web in Centerville. I will be requesting the standard \$300 for this event. We are charging \$20 per person and collecting registrations ahead of time as this is the only way we can reserve any of the 30 available slots. Unfortunately, we scheduled this event without realizing that it fell at the same time as the Area meeting in April. When this mistake was brought to my attention I consulted with the rest of the subcommittee about possibly rescheduling the event. Our group conscience decided against it because we had already made flyers, started announcing it, and had already collected registration money from some participants. We were concerned it would cause confusion trying to change the date or time in light of that. This was my mistake and as chair of the subcommittee I take responsibility for this error. Going forward we will be mindful of other events or service commitments in our Area.

Ad Hoc Committee:
