### **A) LOCAL SERVICES:**

**October** LSC Minutes 10/20/19

Opened at 4:00 PM

David D, Willie M, Britt B, Kalegh, Helen N, Doug S, Aleida R, Erik W, Rhonda W

Google Drive: fiveriverslsc@gmail.com, password thenaway

H&I: Aleida R – Men did not attend Greenleaf last month. The women did. David for Nick – the men's literature box is at Green County. Done with Full Circle. They are transitioning whole facility to IOP. Aleida said last time she went was one person and she worked an AA program. Helen talked with Scott and had a meeting scheduled with him. Five days prior to meeting he told her no more php to change over to all IOP. Aleida - Lebanon just needs literature. Erik – He attended Lebanon twice last month and there were approximately 20 people at each meeting. Getting passes system together. Hopes to grow to 30 attendees. At least half of the guys there are on their own accord and other half there because have to attend. Brenda prints out IP's for attendees to take. She requested couple 5th edition of Basic Text and How and Why. An individual may attend 3 times before actually needing approval to see if going to this meeting is what they want to do. Erik said they facilitate the meetings and would be doing them even if we weren't there. Brenda has requested we bring in speakers. They have 4 meetings they run inside. Aleida said we were donating 2 books every so often. If we need to order more books need to discuss how often and how many. Erik said they realistically have approximately 7 Basic Text 4th editions. He does not see a big need to bring books every month. Aleida said in the literature boxes there is information on how an inmate can receive a book. She can also email the information to Erik. Helen said since not doing Full Circle anymore we can give box to Lebanon. Aleida said Paul has box and unsure of inventory. Doug suggest we do presentation at Lebanon. In his experience if we do one they may become self-supporting on literature. He said it is not our job to supply their library. Also could inform them of pen pal sponsorship program for long term lock down.

PR: Helen N - "I have not updated any schedules because there have not been any reported changes. I have bought the schedule with me today so that we can look at it to see if any changes need to be made. (passed around) I did stay after the ASC last month, in the hopes that addicts who are interested in PR would attend, become committee members and help make suggestions and do the work needed for PR. However, no one came. I would like it to be reflected in the LSC report that I will continue to be at the place where the ASC is in Bellbrook every month after the ASC to open up participation for a PR Committee, roughly 3-4:00 PM. My goals would be to investigate PSAs and educate others on PR things, like mailing out letters, doing a PR presentation, etc. The presentation for Full Circle was canceled due to the fact that H&I is no longer needed. The next presentation will be Monday, Oct. 28th at 9 AM in Hillsboro with Lt. Brown. David, Jen, maybe Jason, and I will hopefully meet with him to present what NA is and how we can help. I have sifted through the PR Handbook and made a few copies of some relevant information that I can pass around today and will give to PR committee members, if we ever form a committee. I would like the LSC committee to consider more literature for this PR committee in the future, after review of the PR Handbook exerts. Thank you for allowing me to serve." Helen said there are PSA we can get on the radio for free and would like to do between hours of 2-3:00 AM. David will announce at ASC to stay after. Helen to get a flyer out and Britt to put on Website. Aleida suggested we make a page, so we are not constantly uploading flyers and making service announcements with links informing of service requirements. Britt said can create user friendly link says what's open and committee's information. David said all subcommittees are able to order their own literature. David submitted a budget of \$2,000. Doug heard Tuesday 6 AM Serenity meeting is closed. Helen to take off schedule.

Phone Line: Willie M – 2 calls last month. He answered one and they hung up. The other left a message and when he returned the call a man said his wife is doing research.

Outreach: Sandi T - "Had a chance to review minutes from last LSC, no concerns or questions.

Primary Purpose on Wed at 6:30 PM has no homegroup members. Set up and meeting being run by other NA members in Xenia area. Possible new home group members? Bob B holding money for the group currently. Is that allowed? I am uncertain of what to suggest to do with the money that is collected when the basket is passed. Touched base with Cody in Blanchester, reports meeting attendance is up. The Wed meeting is still going-doesn't want to close the meeting until it is officially off the schedule. When will it be off the schedule? Helen has made it to the Wed Huber Heights meeting. Does have homegroup members. Small attendance noted. Could use support. Will have the group inventories ready to be distributed to the groups next month. I have been making announcements at meetings encouraging support for LSC and the sub-committees. Who can I get more flyers from showing what positions are? open?" Helen to announce at ASC struggling and need trusted servants. Helen said Ultimate Weapon having same issue with money. Britt to become trusted servant of Ultimate Weapon after a month. Doug suggested Primary Purpose work with the Sunday Xenia group for the handling of money. Helen said Blanchester hopefully off schedule by October ASC. David said after he edits the current flyer online, Sandi can get new flyer online and print up. Keep the receipt and when he is reimbursed, he will reimburse Sandi.

Flyers: David for Nick – Has not handed out any past month. In the process of organizing. David said reason we are not getting many calls could be there not being flyers out there with pull tabs.

Website: Britt B – Recently put on some flyers and minutes for entire year. To meet with Dan again, and cover all his goals. Some programs we use are outdated. To do a major overhaul. Will affect the price we pay. As soon as an activity has happened Britt takes off the website the next day. Checks email 3 times a week. Helen said to coordinate with region can do snail mail to update meetings. We update our own information with them. Britt to make changes on site then go to NA.org and put in number and update meetings. Doug went on sign in to check ease of removing meetings. Britt has a world login. As soon as schedules are updated to update site.

Old Business:

H&I policy. Doug texted Aleida a link. Aleida to order pamphlets. Helen said she understood that we were going to have a Do's and Don'ts every 3-6 months.

New Business:

David - Policy does not fall under LSC.

Helen to get with Erik to do presentation to Lebanon. He will connect her with Brenda. Erik voiced concerns. Helen said we are there to carry the NA message and establish a relationship with the jail. It was voted in favor of Helen reaching out to them.

Closed meeting 5:10 PM

New schedules passed out. Please check them and make sure they are correct

## 5) OPEN FORUM

- 1- Alex asked how many accounts do we have for area, and can we combine them? It was suggested not to do that. Misty stated that the treasures account needed to be very precise, and they don't want to pick it apart by departments. The process they use isn't as technological as the literature account, which is more computer based.
- 2- Jerry was asked about the check option on the literature website. There isn't an account set up for checks at this time. It is all cash based. It was decided that he will try and remove the check option, as well as look into getting a checking account for accountability purposes.
- 3- Policy: To propose a budget for policy. Area has a prudent reserve for such things. It needs to be submitted in writing so we can see what is needed, to ensure we have enough money for it. We would

need an annual requested budget that is itemized.

- 4- Stephanie brought up the need for storage space for NA supplies. Need for accountability person discussed. Various methods reviewed: Possible treasure d/t check writing for storage space, if multi-group, then possibly chair for point of accountability. Need for change in policy to add in description to make it clear who would be point of accountability person regarding certain and specific situations. It was also an idea brought up to do combo, not keys. Thus, eliminating some point of accountability for groups. Prices reviewed; group decided that the 5x10 for 48.50 would be an adequate amount of storage for needs. Idea given to check for annual rates, to see if it would be cheaper. Stephanie is to look into that, and possibility for combo, instead of keys.
