- Policy Subcommittee Report

The policy chair has reviewed minutes from the last year's minutes and motions, and have collected all the changes that need to be made to the Area Policy. The subcommittee is planning to update the Area Policy by the end of the year. The Banking Ad Hoc Committee is still gathering information and is planning to take a call with a non-profit organization of legal professionals to try and get guidance and help.

After all of the above is resolved, we are hoping to hold a review of the entire updated policy and make recommendations to update any areas of the policy that could be corrected or improved.

ILS,

Dan G.
